

WINERY

와이너리

In 1996, 3 sisters of Canepa family responded to their passion for the production of fine wines which has been part of their family's life since the 1930's. The name TerraMater tells us a lot about the company itself. This is a company which was born from exceptional lands, covered by noble and well established vines that are up to 70 years old. TerraMater represents the perfect combination of traditional Chilean top quality winemaking practices, the search for innovation and the concern to achieve the very best our vineyards can deliver, through the creation of wines which truly pay homage to the generosity of our Mother Earth.
