와이너리

Precision Wine Co. presents a distinguished and diverse collection of wines. Each wine is made with meticulous attention to detail and a commitment to quality; from harvesting the grapes in the vineyards to designing original packaging, every step of the winemaking process is handled with precision.

Wines are made to showcase the complexity of flavor, diversity of terroir, and distinct characteristics of California's appellations and wine regions. Trevor Sheehan, founder started his journey to create a top wine collection when he became a winemaker 10 years ago.
