

WINERY

와이너리

In 1957, Pionnering wine growers organize 'La Cave des Hautes-Cotes' the only cooperative winery of the Cote d'Or. They changed their name as 'Nuiton-Beaunoy' and now they brings together 115 associated winegrowers from the Cotes and the Hautes-Cotes. The total vineyard area is some 520 hectares, representing an average production of 25,000 hectolitres of wine per year.

Their wish is to patiently create wines that will become ambassadors of our terroirs. This ambition therefore imposes a work attitude focussed on finesse and nuances.
