

마히 바운더리 팜 싱글빈야드 소비뇽 블랑 Mahi Boundary Farm Single Vineyard Sauvignon Blanc 2024

WINERY

와이너리

Mahi means 'our work, our craft' which is the mantra for Mahi wines based in Marlborough, New Zealand. It began life in 2001 when Brian and Nicola Bicknell decided to fulfill their dream of having their own winery. He decided to make wines that reflected these differences more clearly and focused on producing single-vineyard wines. He adopts a very hands off approach to his winemaking to allow the fruit to speak of their vineyard characteristics. The styles tend to show not only varietal definition, but more textured complexity, rather than the fruit-bomb style usually associated with the region.
