

CHATEAU DE SAINT COSME

레 듀스 알비옹 블랑 Les Deux Albion Blanc 2023

WINERY

Saint Cosme – located north to the village of Gigondas – is the most ancient estate in the region. They have old vines average 60 years with a yield of around 27ha and recognized one of the best producer in Gigondas with microclimate and unique terroirs.

The philosophy of their wines is to express at their best the extraordinary potential of the terroirs combined with the old vines. The ancient know-how, the organic viticulture and the understanding of the terroirs are part of our strong ideas.
