

## WINERY

## 와이너리

CVA was founded in 2002 with the purpose of uniting the winemaking heritage of Alberto Orte and Patrick Mata's families. CVA currently produces wines in 18 different appellations and has been searching for great vineyard-sites which produce consistently superior wines compared to neighboring vineyards.

Robert Parker mentioned CVA is a boutique winery reveal unique terroir and produce wine with contraction from winery not well known and raise their character and value.
